**ORDER REGARDING POST-HEARING MATTERS AND
ORDERING RESPONSE TO HALL OBJECTORS' MOTION FOR
COMPLIANCE**

On July 12, 2021, the Court conducted the first of a three-day final approval and fairness hearing regarding the partial settlement of claims in the Flint Water Cases. On July 12, 2021, counsel for the *Chapman* and *Lowery* Plaintiffs, Mark Cuker, made a presentation to the Court using slides. The Court orders Mr. Cuker to file the slides on the docket accompanied by a declaration.

Separately, the *Hall* objectors filed a motion for compliance with Rule 23(e). (ECF No. 1908.) The Court orders that the Special Master, who maintains census information, set forth in a report the status of the five individuals named in the *Hall* objectors' motion. Specifically,

whether these five individuals are included on the current version of Exhibit 1a or 1b.¹

Counsel for the *Washington* Plaintiffs who withdrew their objections, Marc Bern and Stephen Monroe, should file a response within the time required in Eastern District of Michigan L.R. 7.1 for non-dispositive motions indicating: (1) whether these five individuals were individually retained or class Plaintiffs; and (2) if they are class Plaintiffs, whether payment or other consideration was paid to an objector or counsel for the withdrawal of these objections.

IT IS SO ORDERED.
